IMPORTANT

- Rebate for up to \$500. Rebate is not to exceed 50% of total installation costs (including cost and labor) of any Level 2 Electric Vehicle charging unit.
- Electric Vehicle charger must be installed within Todd-Wadena Electric Cooperative's service territory.
- Must be enrolled in the EV Storage Rate or the EV Time of Use Rate.
- Must use a state-certified electrician to install the charging unit.
- Incomplete forms will not be processed- must include installation invoice from your electrician with completed rebate form.
- Rebate program is subject to change or cancel without notice.
- Rebate credits under \$100 will be applied to the member's account.

Submit completed rebate form and a copy of the original installation invoice from your electrician within 90 days of purchase to:
