IMPORTANT

- Rebate: \$35/kW, up to \$500 max for qualifying Dual Fuel Load Management Program participation.
- The Dual Fuel system must be installed within TWEC's service territory.
- The Dual Fuel heating system must be enrolled in the Dual Fuel Load Management Program.
- The Dual Fuel meter socket and receiver equipment must be located on the outside of the house and a final state electrical inspection must be completed before a Dual Fuel meter is installed.
- Contact TWEC at 218-631-3120 or 1-800-321-8932 for Dual Fuel meter installation. Dual fuel rates and rebates will not be processed until meter installation is completed.
- Portable heaters, wood/pellet burning stoves and electric space heaters do not qualify as a back up heat source.
- Incomplete forms will not be processed- must include a copy of original dated sales receipt.
- Rebate program is subject to change or cancel without notice.
- Rebate credits under \$100 will be applied to the member's account.

Submit completed rebate form and a copy of the original dated sales receipt within 90 days of purchase to:
